

## Yavapai Amateur Radio Club Weekly Net Script

CQ, CQ, CQ. The Yavapai Amateur Radio Club net is now open. This is \_\_\_\_\_, net control station for \_\_\_\_\_, 2010. My name is \_\_\_\_\_ and I am located in \_\_\_\_\_, Az. This is a directed net and all amateurs are invited to join. Stations with emergency traffic may break in at any time. Visitors may check in following roll call. This net meets every Wednesday at 1900 hours MST on 146.880 MHz with a PL tone of 100 Hz.

If you do not have a PL tone in your radio, you can transmit on 146.880 simplex when the repeater drops out.

Are there any mobile stations wishing to check in?

Stand by for roll call. This is \_\_\_\_\_, net control for the Yavapai Amateur Radio Club net. (call the list)

ROLL CALL

(After members check-ins, ask for any missed or late member check-ins and then visitors.)

*(If there are any announcements, give them now)*

COMMENTS FROM CHECK-INS.

Are there any missed or late check-ins?

Are there any comments or business before we close the net?

The Yavapai Amateur Radio Club was established in 1991 and meets on this frequency every Wednesday night at 1900 hours MST. We'd like to offer our deepest gratitude to Bill Kafka, W2YAV, for allowing us to acquire this repeater. The club meeting is held on the first Thursday each month @ 7:00 p.m. in Prescott at the Granite Mountain Middle School, room 404.

Anyone wishing to become a member should view our website at [www.w7yrc.org](http://www.w7yrc.org) for information and an application or come visit with us at our next meeting.

This is \_\_\_\_\_ closing the net at \_\_\_\_\_MST.

73, and good evening to all.
